In accordance with 37 C.F.R. 1.97, the filing of this Information Disclosure Statement shall not be construed as a representation that a search has been conducted, nor shall it be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

Enclosed herewith (and listed on the accompanying form PTO-1449) are references A1, A2, A3, A4, and A5 cited in the Search Report and not believed to already be of record in the present application.

Pursuant to 37 C.F.R. §1.97(e)(1), the undersigned hereby certifies that each item of information contained in the accompanying information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.
